Professional Summary

Finance professional with M.Sc. Financial Economics and Big Four experience at Ernst & Young, currently managing financial reporting and operational finance at Promotech Advertising, Dubai. My background spans financial statement analysis, multi-source reconciliation, and structured client documentation at EY, through to management reporting, account reconciliation, ERP implementation, and month-end close in an active business environment. Pursuing CMA (US).

Core Competencies

Financial Analysis & FP&A

Financial Reporting · Management Reporting · Variance Analysis · P&L Analysis · Financial Statement Analysis · Budgeting & Forecasting · Cash Flow Analysis · KPI Tracking · Scenario Analysis

Technical Tools

Advanced Excel (Power Query, Pivot Tables, Financial Models) · Power BI (DAX, Dashboards) · SQL · Python (automation & data pipelines) · Odoo ERP · Tally ERP

Accounting Foundation

Month-End Close · Account Reconciliation · AP/AR Management · ERP Implementation · Audit Support · Discrepancy Investigation

Professional Experience

Promotech Advertising — Dubai, UAE

Feb 2025 – Present

Accounts and Operations Executive

Finance Operations & Systems

- Designed and implemented a finance documentation framework from scratch — established standardized filing, record-keeping, and audit-trail processes, reducing document retrieval time from days to minutes.
- Led full ERP migration from Tally to Odoo: managed data validation, inventory database cleansing, master data review, and cross-team co-ordination from planning through go-live.
- Co-ordinate with ERP partners on system support, data reconciliations, and ongoing updates.

Financial Reporting & Analysis

- Prepare monthly financial reports, management summaries, and performance packs for the CEO — covering revenue, gross margin, cost variances, and key operational metrics.
- Run month-end close: account reconciliations, ledger reviews, and pre/post-closing checks; clear all open items and discrepancies before close date each month.
- Manage AP/AR across 475 active accounts — 319 suppliers and 156 clients; review Statements of Account, investigate discrepancies, and follow up on outstanding balances.
- Co-ordinate supplier and vendor payments while maintaining complete supporting documentation; process 1,000+ payment transactions per year.
- Support IFRS-compliant annual audit (Kreston Menon Chartered Accountants) through organized, audit-ready documentation and timely stakeholder co-ordination.

Ernst & Young (EY) — Bangalore, India

Nov 2023 – May 2024

Tax Analyst

- Reviewed high volumes of client financial documents, statements, and supporting records with attention to detail, accuracy, and compliance requirements.
- Reconciled financial information across workpapers, tax forms, and client records to maintain alignment with relevant standards and reporting requirements.
- Identified and corrected discrepancies in financial data and documentation; co-ordinated with relevant stakeholders to resolve issues in a timely manner.
- Co-ordinated with EY U.S. teams across time zones to support timely completion of financial and documentation requirements under strict deadlines.
- Supported preparation and review of client financial filings, building experience in organized financial record-keeping and structured documentation.

Internship Experience

BB Advisory — Bangalore, India

Jan 2023

Financial Analyst Intern

- Assisted in preparing financial analysis reports and valuation models for client engagements.
- Reviewed financial data and compliance-related documentation to address relevant stakeholder requirements.

- Supported financial research and contributed to structured, client-ready financial reporting.

Ernst & Young (EY) — Bangalore, India
US Tax Intern

Jan – Apr 2023

- Assisted in reviewing financial documents and supporting statements for accuracy, completeness, and compliance.
- Reviewed and assessed payroll and accounting information; provided supporting data to help resolve discrepancies.
- Collaborated with team members on accurate financial reporting and documentation review under deadline.

Projects

Personal Financial Data Analytics System

2024 – Present

Independently built an end-to-end financial data pipeline: automated ingestion from multiple live market data APIs, real-time processing, structured data storage, and analytical reporting outputs. Built entirely in Python.

Education

M.Sc. Financial Economics

2021 – 2023

Manipal Academy of Higher Education · Manipal, India

BBA — Finance (Major)

2017 – 2020

St. Aloysius College · Mangalore, India
