Professional Experience

Promotech Advertising — Dubai, UAE

Feb 2025 – Present

Accounts and Operations Executive

Finance Systems Transformation

- Inherited a finance function with no filing system, scattered records, and missing documentation; rebuilt the entire structure from scratch — document retrieval reduced from days to minutes.
- Led full ERP migration from Tally to Odoo: inventory database cleansing, data validation, master data review, and cross-team co-ordination through go-live.

Financial Reporting & Analysis

- Prepare monthly financial reports, management summaries, and performance packs for the CEO — covering revenue, gross margin, cost variances, and key operational metrics.
- Run month-end close: account reconciliations, ledger reviews, and pre/post-closing checks; clear all open items and discrepancies before close date each month.
- Manage SOA reviews across 30+ vendor and client accounts; investigate and resolve AP/AR discrepancies. Process 1,000+ payment transactions per year.
- Support IFRS-compliant annual audit (Kreston Menon Chartered Accountants) through organized, audit-ready documentation.

Ernst & Young (EY) — Bangalore, India

Nov 2023 – May 2024

Tax Analyst

- Reviewed client financial statements and workpapers for accuracy; identified inconsistencies, traced root causes, and co-ordinated resolution across internal and client teams.
- Reconciled financial data across tax forms, client ledgers, and supporting schedules on concurrent engagements under strict US-driven reporting deadlines.

Internship Experience

BB Advisory — Bangalore, India

Jan 2023

Financial Analyst Intern

- Prepared financial analysis reports and valuation models for client engagements.
- Supported portfolio reconciliations, compliance checks, and client-ready financial reporting.

Ernst & Young (EY) — Bangalore, India

Jan – Apr 2023

US Tax Intern

- Reviewed financial documents and schedules for compliance; reconciled supporting data and maintained documentation under deadline.
